Sir:

In the matter of the above-identified application, Applicants, through their undersigned representative, are submitting herewith a copy of an uncovered Japanese Patent Publication and a listing thereof in Form PTO SB/08A, in keeping with the duty of disclosure/candor requirements.

This Information Disclosure Statement (IDS) is being submitted after the mailing date of the first Office Action but before the mailing date of a Final Office Action on the merits and, therefore, this IDS meets the requirements pursuant to 37 C.F.R. §1.97(c). The following statement, in accordance with 37 C.F.R. §1.97(e)(2), is also being made:

Upon information and belief, the undersigned submits that no item of information contained in this Information Disclosure Statement (IDS) was cited in a communication from a foreign Patent Office in a counterpart foreign application, and, to the knowledge of the undersigned representative after having made reasonable inquiry, no

It is noted, also, that the Japanese Patent Publication date thereof is subsequent to the foreign filing date of the earlier one of the two Japanese counterpart applications, which are listed in the original Declaration.

It is submitted that this IDS is in compliance with the rules of practice as well as with U.S. PTO guidelines. Therefore, Applicants respectfully request that it be duly entered into the official record. Also, acknowledgement of such formal entry as well as formal consideration thereof is respectfully requested.
